REPORT ON CURRICULUM

A curriculum is the instructional and the educative programme by following which the pupils achieve their goals, ideals and aspirations of life. The general aims of a school education is to receive concrete expression through curriculum. A well-crafted curriculum designed to develop concepts, from a basic level to increasingly complex topics or skills. Based on the above factors our school follows the curriculum as below for the following classes.

PRE-PRIMARY

Montessori Method of teaching is followed emphasising on the 5 area of learning Sensorial, Exercises of Practical Life, Language, Number Work & Culture .Pre – primary children learn English, Kannada, Hindi, Number work and General knowledge as main subjects. Apart from these they learn to narrate story and sing rhymes which improve their speaking skills. Pre-primary children also learn phonetics, which improves their reading skill, grammar and pronunciation. To improve fine motor skills and creativity, we have Drawing & Colouring, PT & Yoga. As skill subject, they learn Computer. Children learn Sloka chanting that helps them to sharpen their intellect.

I STANDARD TO X STANDARD

I std to X std children learn English, Kannada, Hindi, Sanskrit, Mathematics, Science and Social Science as main subjects. I and II standard children learn phonetics, which improves their speaking skill, grammar and pronunciation. Apart from these, they learn Value Education. The text book for the same has been prescribed by the school which helps the students to become more and more responsible and sensible. It helps them to understand the perspective of life in a better way and lead a successful life as a responsible citizen. To improve students' social, sensitive, reasoning and analytical thinking skills, the school conducts All India General Knowledge Exam. Students learn computer as one subject under SUPW.

Children are given spellbee & English communication classes to improve their writing & comprehension skills.

Slokas and Bhagavad Gita recitation enhances spiritual practice, systematic breathing and supplies additional oxygen to the brain, which helps it, stay sharp and focus better. Learning new language through slokas helps neuroplasticity and keeps your mind young and flexible. We have been teaching the slokas and Bhagavad Gita

To contribute to the education of young people through a value system based on the law, the school has introduced Scouts for Boys and Guides for Girls, cubs and bulbul. As in a the proverb "All work and no play makes Jack a dull boy" emphasizes the importance of equal opportunity for all children to play outdoor and indoor games. Children learn Karate a martial art that helps them

to learn coordination, focusing, discipline and self – defense. The arts enhance the process of learning. The fine arts also provide learners with non – academic benefits such as promoting self – esteem, motivation, aesthetic awareness, cultural exposure, creativity, improved emotional expression, as well as social harmony and appreciation of diversity. To nurture our culture the school motivates students to take Ramayana and Mahabharata exam. The school arranges field trips for all students from Nursery to X standard that strengthen classroom materials and bring classroom lessons to life. The school has four Houses to inculcate the spirit of healthy competition among students

To make our students' future ready, the school offers Coding for Classes high schoolers. Coding is important to learn because it teaches important skills such as critical thinking, problem solving and creativity. Coding is also a skill that is valued in the work force.

The school motivates students to enroll themselves for various hobby clubs like Fitness Club, Yoga, Karate, Fine Arts Club, Shlokas & Bhajans – Sanskrit shlokas & hymns are given once in a week. Sports Club, Science Club, Quiz Club, Nature Club, Stitch & Yarn Club, Cookery / Culinary Club, Math Club, Financial Literacy Club.
